

## **Commercial Booths/Food Vendors**

Exhibitors may display from 8:00 am and are to stay open until at least 4:00 pm. We will provide an 10 x 10 area for your booths. If your display is larger than this, you will have to get approval and may have to pay a higher booth fee. You are to provide your own display tables, form of shade (canopy etc.), and any other items you may need. The park opens Labor day morning at 7:00 am for setting up. Please be courteous of the flag raising ceremony. You will be allowed to drive into the park for unloading your merchandise. The vendor gate is located on the North-East corner of the park. Afterwards, please park away from the main areas to allow patrons to come and go throughout the day. Electricity is limited. Bring your own extension cords if needed. Food Vendors are required to have a current food handlers' permit and day permit. To find out more about these permits, contact the Weber County Health Department.

Only one vendor to each booth or if you share, each vendor will pay an entry fee.

The fee for all commercial booths is \$40.00. The fee for all booths with edible items will cost \$50.00. These fees are non refundable. If you are selling more than one type of food, additional fees will be charged. Also, if your booth is larger then 10 X 10, additional fees may be charged. **NOTE:** We offer a sole vendor option. We usually allow two vendors of each type of product. For example, two cotton candy, two kettle corn, etc. This year, if we receive more than one application for a specific product, I will call the first (received) applicant and offer them the opportunity to be the only vendor for that type of product. For example, if I get two kettle corn vendors, I will call the first received applicant. If they want to pay \$85 instead of \$50 for the booth fee, they will be the only kettle corn vendor in the park that day. This really helps the food vendors have a successful day.

We accept applications beginning March 1. First come first serve policy.

No bottled water or other drinks are allowed to be sold in the booths. All food items must be cleared with the Commercial Booth chairperson.

Make Checks payable to: Hooper City

Mail to: **Hooper City**  
**5580 W. 4600 S.**  
**Hooper, UT 84315**

**This form can also be delivered in person to the City Offices with the appropriate fee.**
