There are very few booths equipped with electrical outlets and will be assigned on a first come/first serve basis. Bring your own extension cords.

Exhibitors may display from 8:00 a.m. and are to stay open until at least 4:00 p.m. We will provide an 10 X 10 area for your booth. If your display is larger than this, you will have to get approval and may have to pay a higher booth fee. You are to provide your own display tables, form of shade (canopy, etc.), and any other items you may need. Park opens Labor Day morning at 7:00 a.m. for setting up. Enter at the North-East gate. No cars/trucks will be allowed to be left on the grass throughout the day. Please park away from the main parking area so that other patrons can use that parking throughout the day.

**REGISTRATION DEADLINE: The Thursday before Labor Day.**

Only one vendor per booth. If you share, each vendor will pay exhibitor fee.

Exhibitor Fee: \$40.00 Commercial Booth/Craft, \$50.00 Food Booth, \$85 Sole Vendor Fee, Non Profit Free
